

Stanley Selden Maritime Fund

The **Stanley Selden Maritime Fund** honors the life of Stan Selden. Mr. Stanley Selden was a Tacoma businessman and civic leader; he was a family man who had a head for business, and a heart for Tacoma and its extensive waterfront. The aim of the Stan Selden Memorial Trust is to make grants within specific focus areas in order to enhance the quality of life for young people in the Tacoma area. Focus areas are specifically related to providing opportunities for all and especially youth to better access, to experience and to widely enjoy the waterfront in Tacoma.

We are asking the membership of the Tacoma Waterfront Association to help us in the Seed Funding for the new Stanley Selden Maritime Fund.

FOCUS AREAS: *Maritime Career Related Training, Youth Marine Science/Education Programs, Youth Boat Building, Youth Sailing Programs, Grow Boating Experiences, Historic Waterfront Education Programs, Youth Boating Education or Charters, Youth Focused Waterfront Events, Amateur Water Sports for Youth, Waterfront Enhancements to Attract Youth to the Waterfront.*
